Contracts Bulletin # 100 – AIA A401 – THE “NEW” 2007 CONTRACTOR–SUBCONTRACTOR AGREEMENT

On November 5, 2007, the American Institute of Architects (“AIA”) released revisions to its standard form construction contracts. Many of these changes will have a significant impact on SMACNA members.

This Contracts Bulletin will focus exclusively on changes in the new 2007 version to the 1997 AIA A401: Contractor–Subcontractor Agreement. SMACNA, through association with the Associated Specialty Contractors (ASC), has endorsed Contractor–Subcontractor Agreement, AIA A401–2007.
